Escape to **PROVENCE**

Maureen Emerson

author of *Escape to Provence*

Escape to Provence is the true story of two remarkable women, an Englishwoman Winifred Fortescue, author of the best-seller of the 1930s *Perfume from Provence*, and an American, Elisabeth Parrish Starr. Both women carved out new lives for themselves in the South of France in the first part of the last century, living a bucolic Provençal existence, until the threat of another war changed everything.
